Les Levasseur au recensement de 1931

Évolution démographique des Levasseur au recensement du Canada de 1931

Le recensement de l'année 1931 est maintenant indexé et disponible sur le site du gouvernement du Canada⁽¹⁾. Voici quelques données statistiques pour l'année 1931 concernant les Levasseur.

Note importante : bien que relativement fiables, les recensements, et notamment celui de l'année 1931, sont tout de même faits selon des procédés datant du siècle dernier. Leur fiabilité dépendait évidemment des recenseurs eux-mêmes, de leur habileté, la netteté de leur écriture. Toutes ces feuilles de recensement étaient sur papier, elles ont été numérisées, rendant parfois leur lecture peu facile. Pour en savoir davantage sur les recensements, vous pouvez lire le document référencé à la page suivante.

*Communiqué de presse⁽²⁾
Gatineau (Québec), le 1^{er} juin 2023*

« Bibliothèque et Archives Canada est fier de donner aujourd'hui accès à la version numérisée du recensement canadien de 1931, mené il y a 92 ans. C'est la première fois que l'institution met en ligne le contenu d'un recensement dès le premier jour permis par la loi.

Le recensement de 1931 est un outil indispensable pour la généalogie et la recherche, car il trace le portrait de la population de l'époque. Grâce à lui, nous pouvons voir comment vivaient les gens,

Nous vous invitons à devenir membre de notre association et contribuer par le biais d'articles, à enrichir notre centre d'archives sur les familles Levasseur et Carmel.

Les recensements sont disponibles en ligne sur le site de [B.A.C.](#), et sur le site Web de [Ancestry](#)

Aidez-nous à poursuivre notre mission en contribuant avec un don modeste.

Ont participé à cet article : Alex Levasseur (recherches, textes), Jean-Pierre Levasseur (montage et distribution), Pierre Levasseur (traduction).

qu'il s'agisse de leur lieu de résidence, leurs relations, leur langue ou leur milieu de vie (en famille élargie, dans une communauté d'immigrants, dans un établissement ou dans une maison de chambres, par exemple).

La publication du recensement de 1931 comporte deux volets. Le premier consiste à publier aujourd'hui les 234 687 images numérisées du recensement, accompagnées d'une interface permettant de les parcourir par districts et sous-districts. Le deuxième volet consiste à transcrire le recensement au complet, ce qui permettra d'offrir une expérience de recherche intuitive et conviviale. Dès l'automne 2023, tout le monde – quel que soit son niveau d'expertise en généalogie ou en recherche – pourra y faire des recherches par nom ou par lieu, grâce à l'outil Recherche dans les recensements. Pour accomplir ce travail colossal en un temps record, Bibliothèque et Archives Canada a noué des partenariats avec Ancestry® et FamilySearch International. »
