### Gathering of the Levasseur (\*) families in Québec City, Saturday September 14, 2019

(\*) And associated surnames: Carmel, Borgia, Vasseur, Vassor, Vasser

Dear members of the Levasseur Association and friends of the Levasseur families.

Do not miss this opportunity to meet, socialize and talk about genealogy with other descendants of Peter and Laurent Levasseur that is offered on September 14 in Quebec City, the city of our ancestors.

There will be several activities offered to you; the official launch of the Association's new Web site, explanations on how to manage and make use of the data bank and a presentation by a guest historian, Jean-Marie Lebel, titled "La vie à Québec à l'époque des ancêtres Jean, Pierre et Laurent Levasseur ».

The organizers of this meeting spent much time and energy to ensure the success of this meeting. Their efforts will be rewarded only if several members of the Levasseur family attend this meeting. Our goal is to reach 70 participants.

Your presence would be greatly appreciated.

Roger Levasseur, president
