## Our new site Web

by: Jean-Pierre Levasseur

Our new Web site is now online ([www.levasseur.org](http://www.levasseur.org)). We thank you for your patience, but it was worth while waiting for!!

The main content of the old site have been transferred to the new site. Our volunteers will be completing the work that remains to be done in their available free time. Although navigating the site is very user-friendly, this document features a summary of the main functions and explains the different menu items.

Now, the two Web sites, one for the general public ([www.levasseur.org](http://www.levasseur.org)) and one for paying members ([www.levasseur.org/tng/](http://www.levasseur.org/tng/)) giving to the databases, are fully operational. These two sites are bilingual.

Good consultation!
