« Our Winter Window on The World from White Bear Lake » ⁽¹⁾

Tom and Nancy Chisholm (born Levasseur) great grand-daughter of Eusèbe Levasseur and member of the Levasseur Association since its early beginnings.

Note from Roger Levasseur, president of the *Levasseur Association of America*

Tom and his wife, Nancy Chisholm, born Levasseur, members of the ALA offer all members their best wishes for a Merry Christmas and a Happy New Year. Nancy is the great-granddaughter of Eusèbe Levasseur who chose to settle in Minnesota in the United States in the late 18th century. Tom and Nancy are propagandists of peace and love on this land that needs to be protected. The Levasseur Association of America shares this thought and offers their message as a Christmas greeting and wishes you and your families a Happy New Year.

Dear Family and Friends,

We have been standing on the corner of 4th street and Hwy 61 in White Bear Lake every Monday afternoon for an hour with two other Vets for Peace since we moved into #216 on the second floor of "The Lodge" in September 2018. There are about 100 residents, more women than men on three floors, one elevator and walkers and battery-powered wheelchairs to dodge.

The summer scene is warm, green and "the sun also riseth" for our regular hikes around the pond and the park beyond. The YMCA is nearby for winter exercise and the cultural activities in White Bear

Lake and the Twin Cities are too numerous to list. Marion the Librarian appears every two weeks with a display and there is a nice collection of books in the Lodge library. Giving up our extensive library was the most painful part of leaving Chippewa Falls in 2018, the Chisholm ancestral home since 1871, and our Peace and Environmental friends. Joyfully, White Bear Lake is Nancy's home and St. Mary's of the Lake is a vital parish where she was baptized and where we were married 61 years ago on 24 November. From our beloved union came seven beautiful and healthy children and

thus far, fifteen healthy grandchildren.

Urged on by the family and their assigned assistants, we are writing our bios. We led peripatetic

and rather interesting lives so I added this photo of Tom, nearly a year under the tropical sun and glittering lagoons, "the doc" with an army engineer unit surveying Micronesia on the FS 367, caring for an infant in the Marshall Islands in 1952. We liberated the atolls from the Japanese by 1945 and inaugurated the nuclear era on Bikini and Eniwetok from 1946 through 1958. We were not irradiated, or were we?

It was the second year of the Korean War, the mandatory 4th year for me and 67 years before graduation from the Marquette/MCW medical school in Milwaukee. In September we celebrated with eight classmates of 1959, singing songs of The Fifties and the Med School Glee Club, "We are/were Students of Medicine." Sadly, the best singer, Tom Volk, a member of our wedding, was not there to help us sing our favorite, "As Time Goes By."

Here we are, a bit older, slightly wiser, and still in love!

We think of you often--not just during the Holidays. We hope you will join us on a street corner standing for **Peace** sometime, and always advocating for **Healthcare**, and the protection of all life on our warming planet. We know so little of its

inhabitants, their instincts, languages and cultures of those nations our leaders invaded despite our opposition.

“. . .It's still the same old story, a fight for love and glory, a case of do or die. The world will always welcome lovers—As Time Goes By.”

**Wishing you a Blessed Christmas and a
Bright New Year!**
