### Report on the collection of obituaries

---

With the help of Carmen Trottier, I collect the text of the obituaries of our deceased Levasseur, Carmel, of their parents and spouses. On our new website I include the text of the obituary. Since this spring I have also begun to include the photo of the deceased in the obituaries/Obituaries section. Presently over 500 photos have been added to this section. By 2021 we expect to add 2000 photos in the obituary section.

The obituary information is passed on to Joceline who incorporates the date of death and other pertinent information.

I expect to continue inserting, on a daily basis, obituaries and photos.

I encourage you to visit the site "WHAT'S NEW" to view this additional information.

The screenshot shows the website interface for 'Association des Levasseur'. The header includes the title 'Association des Levasseur' in a red serif font, followed by 'et patronymes associés Carmel, Borgia, Vasseur, Vassor, Vasser'. There are three small portrait photos on the right. A navigation bar contains links for 'Page d'accueil', 'Chercher', 'Déconnexion', and '(Modifier le profil : jplevasseur)'. Below this, the main section is titled 'Nécrologies/Obituaries' with a sub-link 'Ajouter un signet'. A search bar is present with the text 'Famille Levasseur'. At the bottom, there are search controls including 'Chercher', 'Vider', a page indicator '1 2 3 4 5 ... 11', and 'Suivant' and 'Page # OK' buttons.

Do not hesitate to send us the photos and obituaries texts of our loved ones so that they can be added to the website
